The European Project Co-ordinator
Mr. Dietrich Lucke

Dear Sir,

RE: HARAMBEE COSTA KENYA, AN INTERNATIONAL EUROPEAN KENYAN SCOUT DEVELOPMENT PROJECT.

I and the KSA, fraternity feel pleased and satisfied with the development of the project in Miritini which you European took part as requested and invited in 2003 by the Kenya Scouts Association, KSA, to build a social centre for the Miritini community.

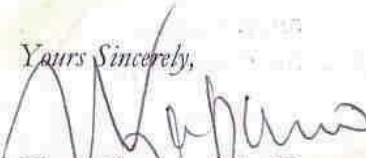

Starting of the Youth Centre in Miritini has our strong support. The Kenya Scouts Association are ready to plan, supervise and to manage the Youth Centre in Miritini in a sustainable manner. I and KSA request again for your help and effort for capital investment to realise this Community Youth Centre in Miritini.

KSA is the largest youth movement in Kenya with over 300,000 Scouts boys and girls and more than 20,000 Scout Leaders. KSA contribute to the development of young people in our country and in the world at large to build a better world. This project pushes an ecological step to a better world. KSA support the ecologically friendly realisation of the Youth Centre in Miritini as planed between Europe and Kenya.

The Centre in Miritini should become an International Youth Centre, known around the world because of its high environmental compatibility. It is in our favour for the Youth Centre in Miritini and for the Kenya Scouts to start with a "Water and Sanitation System", a solution nowhere else in the world is done yet.

Again I, request you in Europe and in the world of scouts to support the community development project in Miritini, now developed to an international environmental compatibility project, unique in the world of Scouts.

Yours Sincerely,

Hon. Francis Ole Kaparo, E.G.H
CHIEF SCOUT

Cc Chief Commissioner – Hon. Stephen Kalonzo Musyoka, EGH,MP
WSB – ARO
National Executive Commissioner
